- Be sure to bring good, comfortable hunting boots
- Rain gear
- We recommend nylon, canvas or leather fronted brush pants
- Ear and eye protection are essential
- Blaze orange vest (we have them for purchase in the Thunderstik Store)

### BRINGING HUNTING DOGS

Dogs are welcome at the lodge and the Thunderstik guides love to have some extra dogs to mix in with the Thunderstik crew. We can provide accommodations for your dogs but make sure to let us know you are planning to bring them when you submit your registration form.

### BRINGING SHOTGUNS

Most hunters bring their favorite shotgun for the hunt but we have very nice lodge guns available if you would like to rent a gun. Interested in shipping your shotgun to the lodge? Give us a call and we can assist you in having your shotgun shipped to the lodge prior to your hunt.
